## Join our Organization Team – EnHands e.V.

EnHands e.V. is a non-profit student organization at the Technical University of Munich working to develop accessible upper-limb prostheses for low and middle-income countries. We're looking for students from different areas of expertise to join our Organization Subteam. In particular, we're looking for support in our **Fundraising Subteam** and **Social Media Subteam**.

### 1. Qualifications

**We don't have any strict requirements for new members:** beginners are welcome! Here are some skills you could bring:

- [FUNDRAISING] Experience with fundraising, e.g., through email campaigns
- [FUNDRAISING] Resilience and persistence
- [FUNDRAISING/SOCIAL MEDIA] Strong communication skills, both written and verbal, and organizational skills
- [SOCIAL MEDIA] Familiarity with maintaining profiles in Instagram and LinkedIn
- [SOCIAL MEDIA] Creativity and familiarity with graphic design and editing tools

If you don't have experience in any of these areas but are passionate about learning and contributing to the team, feel free to reach out!

### 2. Scope of activities

- [FUNDRAISING] Organization and management of donation campaigns
- [FUNDRAISING] Set up a recurring donation arrangement
- [FUNDRAISING] Conceptualize new fundraising possibilities
- [SOCIAL MEDIA] Regular content creation for our social media profiles

### 3. What we offer

- Meaningful contribution to a social cause through technical work in an NGO
- Strong addition to CV through hands-on experience
- Flexible working hours (e.g., during exam phase)
- We work on a volunteer basis and thus cannot offer any financial compensation

### 4. How to apply

If you're interested in joining us, reach out to us at **info@enhands.de**! Please include your name, course and semester (in case you're a student), and your interests. Including your CV is a plus. We're looking forward to having you in our team!
